

## Creative Memories

Katy Gillette, consultant for Creative Memories is excited to announce a new partnership with the Make a Wish Foundation. At her photo sharing stall **today** she can talk to you about different ways you can help her to make the ACT a major fundraiser for the Make a Wish cause. For example, you can:

- order beautiful, specially designed Wishes and Dreams albums and paper products
- sign up to hold a fundraising party at your home, eg. coffee & cake or better still champagne & chocolates, where products, raffles, and donation tins will be available
- accept an invitation attend one of Katy's home Make a Wish presentations at her home

Creative Memories can help you, with products and instruction, to sort it, click it, create it, and display it. Free ideas sheets are always available at the stall, as well as the newest catalogue.

Register for events, place orders online, browse the catalogue & more at
